Sir:

In response to the Office Action mailed on December 1, 2005, Applicant submits remarks on above application as follows:

Remarks

The Rejection of Claims 2 and 4 Under 35 USC 112:

Folding propellers are widely available for hobby model planes such as a sailplane or a glider which is launched into the air or ascends quickly on its own power to certain altitude before the engine is shut down, and the folding prop folds back with rather
